Professionals at WVU Medicine

The INAUGURAL
HSC INTERPROFESSIONAL EDUCATION WEEK CELEBRATION

March 27–31, 2017

Event Agenda

MONDAY, MARCH 27

12:00-1:00 pm, Learning Center Commons/Pylons Lobby

Poster session of interprofessional projects and activities. **Narcan simulation** by Russell Doerr, CHSE, simulation specialist, WVSTEPS.

Ice cream social sponsored by the IPE office - get to know other professions at the HSC and enjoy a bowl of ice cream topped with your favorite treats!

TUESDAY, MARCH 28

12:00-1:00pm, Okey Patteson Auditorium

***An Interprofessional Approach to Tobacco Cessation**, ACPE UAN 0072-9999-17-020-L04-P, Susan Morgan, DDS

Learning Objectives:

- Discuss tobacco cessation as it relates to West Virginia (include statistics as relevant)
- Identify strategies/initiatives/research you have employed or hope to employ to involve students from various health professions to address the topic; include any challenges encountered
- Summarize the results of your initiative and discuss future plans to continue these efforts

WEDNESDAY, MARCH 29

12:00-1:00pm, Okey Patteson Auditorium

***An Interprofessional Approach to Childhood Obesity**, Cindy Fitch, Ph.D., Emily Murphy, Ph.D., ACPE UAN 0072-9999-17-021-L04-P

Learning Objectives:

- Discuss childhood obesity as it relates to West Virginia (include statistics as relevant)
- Identify strategies/initiatives/research you have employed or hope to employ to involve students from various health professions to address the topic; include any challenges encountered
- Summarize the results of your initiative and discuss future plans to continue these efforts

THURSDAY, MARCH 30

12:00-1:00pm, Okey Patteson Auditorium

***IPE through Community Outreach**, Lew Holloway, M.S., ACPE UAN 0072-9999-17-022-L04-P

Learning Objectives:

- Discuss community outreach as it relates to West Virginia (include statistics as relevant)
- Identify strategies/initiatives/research you have employed or hope to employ to involve students from various health professions to address the topic; include any challenges encountered
- Summarize the results of your initiative and discuss future plans to continue these efforts

FRIDAY, MARCH 31

12:00-1:00pm, Okey Patteson Auditorium

***Development of A Substance Use Disorders Course for Health Professions Students: From Learning in the Classroom to Applying on the Floors**, Andrew Muzyk, Pharm.D., Shelley Holmer, M.D., ACPE UAN 0072-9999-17-023-L04-P

Learning Objectives:

- List the six-steps of Kern's curriculum planning and three domains of Bloom's Taxonomy
- Formulate a process for developing a substance use disorders course for health professions students
- Predict barriers and successes to developing an interprofessional substance use disorders course

1:00-1:30pm – Lunch provided for those who participate in both sessions.

1:30-2:30pm, Room 2940 HSC-North

***Primer on Non-Pharmacological Pain Management Approaches: What They Are, Why We Need Them and Who Should Use Them**

Steven George, PT, Ph.D., ACPE UAN 0072-9999-17-024-L04-P

Learning Objectives:

- Differentiate nociception, experience, and impact as key elements of understanding pain.
- Determine key differences in "pain treatment" and "pain management" philosophies.
- Define commonly used non-pharmacological pain management approaches.
- Identify what recent clinical practice guidelines recommendations are for non-pharmacological pain management
- Discuss creation of care pathways that incorporate non-pharmacological pain management

2:30-3:00pm, Room 2940 HSC-North

***Panel discussion** with Drs. George, Holmer and Muzyk (No CE Credit)

*** A webcast of these presentations will be available.**

Professor of Orthopedic Surgery
Duke University School of
Medicine
Durham, NC

Registration Information

To register please go to <https://wvuhsce.wufoo.com/forms/k1u6uad20ghbvyk/>. If you have questions please email IPWeek@hsc.wvu.edu, or contact Dr. Gina Baugh at 304-293-1471 or at gbaugh@hsc.wvu.edu. There are no fees associated with these presentations.

Accreditation Information

The WVU School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The WVU Office of CME designates this live activity for a maximum of 5 AMA PRA Category 5 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This continuing education activity has been provided by the WVU School of Nursing for 6 contact hours. The WVU School of Nursing is an approved provider of continuing education by the State of West Virginia Board of Examiners for Registered Professional Nurses, Legislative Rule #19CSR11-4 under provider number WV-1996-0120RN.

The WVU School of Dentistry is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. The WVU School of Dentistry designates this activity for 5 continuing education credits.

Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

Participants are cautioned about the potential risk of using limited knowledge when incorporating new techniques and procedures into their practices.

West Virginia University School of Pharmacy (WVUSoP) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This program, ACPE# 0072-9999-17-020 to 025-L04-P is approved for 5.0 contact hours (0.5 CEU's) of continuing pharmacy education credit. WVU SoP will report your participation in the activity to NABP CPE Monitor within 4-6 weeks for all participants who successfully complete each session. Successful completion includes attending the entire session, signing the attendance sheet and completing an online evaluation form for each session attended. Transcripts of CPE can be printed from NABP CPE Monitor. If needed, statements of credit may be printed at <https://pharmacyce.wvu.edu/user/login>.
