Understanding Health Disparities Among Under-served Populations

TUESDAY
APRIL 21
7:00 P.M.

GLUCK THEATER
(LOCATED IN THE MOUNTAINLAIR)

Dr. Scout is the Director of LGBT HealthLink and an Adjunct Assistant Clinical Professor at Boston University School of Public Health. He will be visiting WVU to give a discussion on tobacco and health disparities due to gender and gender identity, sexual orientation, race/ethnicity and socioeconomic status.

Co-Sponsored by: Covenant House, WVU Commission for LGBTQ Equity, West Virginia Prevention Research Center, WVU Multicultural Center, and the Office of the Provost
